

Notes to candidates

Before you start to research, you must select a brief and read the ‘Instructions for candidates’ which gives details of the skills you must demonstrate and the type of evidence you must provide.

**You should speak to your teacher or lecturer before you start if you are unclear about what is required for this assessment.**

Complete the product design specification on the research and specification pro forma.

You must:

- ♦ carry out research on a range of issues relevant to the task
- ♦ draw conclusions from your research
- ♦ ensure your specification covers a range of issues such as aesthetics, function, ergonomics, performance and cost.

Design brief 3

Neon Golf would like a design proposal for a themed entrance to the adventure golf course.

The proposal needs to include a contactless payment machine, display a price list, and have a place to store and/or dispense wristbands for customers to collect once they have paid.

The proposal needs to include a sensory element and be influenced by the ‘Under the Sea’ theme.

You can use one or more of the components shown on pages 28-30 within the assembly of the proposal.
